

YEES Workshop, Algemés – 14 November 2016

The workshop was organized in IES Sant Vicent Ferrer for the Erasmus+ tutors of the consortium of VET schools in which IES Sant Vicent Ferrer is coordinator.

One afternoon was organized to explain to the VET teachers how to register in the MOOC, how to develop the activities, how to get the certificates and motivate them to use during their lessons like a tool for their VET Students.

M . Sonsoles Jimenez was in charge of solving the doubts during the development of the course.
